

1. What did you hear from another system that you could do to turn around CCRS training for your teachers?

2. What questions, concerns, or wonders do you still have in moving forward with implementing the CCRS standards?

3. Did you find the use of the Insight Tool beneficial in planning and finding resources for lessons? How else could the insight tool be used for your teachers?

Content Session (Math Practices, Literacy Standards/Key Shifts):

4. What did you learn from this session concerning lessons that other teachers would like to know?

Content Session (Math Practices, Literacy Standards/Key Shifts):

5. Based on the lesson studies you have done today, what would most help the teachers you represent to create a quality lesson?

6. Based on what you know about the new College and Career Ready Standards, what kind of training would interest you for future quarterly meetings? Please be specific.
