

Flowering Plants Card Sort

Directions: Cut out the 12 cards below. Based on what you currently know about flowering plants, sort the cards into groups. After sorting your cards, read the article "Flowering Plants" from ck12.org. After reading the informational text, re-sort your cards into categories and give each category a title.

Angiosperm	Cotyledon
Eudicots	Magnolids
Monocots	Ovary
Petal	Pistil
Sepal	Stamen
Style	Pollen
